General Manager’s Message

In the last edition of Highlights, I talked about how this year we’re celebrating our 20th anniversary of Lakeland News. On July 18th we had an open house celebrating the 20 year anniversary in our Bemidji headquarters. We had a great turnout of folks stopping by to meet the news team and congratulate us and I want to say “Thank You!” to everyone who stopped by.

Have you watched any of our 20 for 20 Lakeland News stories recently? The 20 for 20 concept was Dennis Weimann’s idea. What Dennis dreamed up is to look back and highlight one story from each of the last 20 years of Lakeland News. We show the original story and Dennis puts it in context and also talks about the reporter that did the story and where they are now. As you’re likely aware if you watch Lakeland News regularly, we have reporters come and go on a regular basis. This is typical for any small market station. We hire talent right out of college and they work for us for a year or two. After they’ve gained some experience, they move on to a bigger market station chasing their dreams. While it’s frustrating losing so much good talent after investing so much time in their training, it’s also fulfilling to know that we’ve helped them along their career path. Many of our past reporters are working at big market stations across the country and even at the networks. Dennis is as much a teacher as he is a news anchor and he excels at both roles. We couldn’t do what we do without him. If you see him, thank him for his many years of service to our region through his work on Lakeland News. If you go to lptv.org and type 20 for 20 in the search bar at the top of our home page, you will see all of the 20 for 20 stories we’ve done so far. I think you’ll enjoy the look back in time!

Lately we’ve talked a great deal about Lakeland News. If you’ve been in this area for a while, you likely just take having a local newscast like Lakeland News for granted. You should know that across all of public television’s 170+ licensees nationwide, at last count there is just one other public television station that produce a regular local nightly newscast like Lakeland News. The other PBS station is KPBS in San Diego, California. San Diego is obviously a much bigger market with a great deal more resources available to help support KPBS’ newscast. As you might imagine, Lakeland News is a huge commitment for a small rural station like ours with about 1/3 of our staff dedicated to Lakeland News. I’d like to take this opportunity to thank all of the supporters of Lakeland PBS that help make Lakeland News possible. If you’re not currently a supporter, but watch Lakeland News, please consider making a gift at lptv.org. Your investment will help insure that Lakeland News will still be going strong 20 years from now. Thank you!

Another fun way you can help support Lakeland News and Lakeland PBS is by attending our upcoming Celtic Thunder concert live in Bemidji on Tuesday, October 16 at 7:00 pm. The concert will be held at the Bemidji High School auditorium. That is an excellent venue with great acoustics and comfortable theatre like seating. This is sure to be another great concert. Get your tickets now while they’re still available either at lptv.org or by calling Ron Johnson at 218-333-3024 here at Lakeland PBS. You can also call Ron toll free at 800-292-0922 extension 124.

In closing, I’ll mention that we have a short pledge drive coming up in September. We’ve got some great programming in store for you including a few Celtic Thunder specials with a thank you gift of tickets for the upcoming Celtic Thunder concert for your contribution to Lakeland PBS.

As always, thank you for your generous support. We couldn’t do what we do without you!
