Happy Holidays!

I don't know about you, but I'm not happy about the fact that Mother Nature decided to skip fall altogether this year. It seems that we went right from summer to winter in a few weeks time! I guess there's nothing we can do about it, so we just have to move on.

As we enter the holidays, I'd like to wish you all a very happy holiday season and a very merry Christmas. As usual for this time of the year, we've got some great holiday programming in store for you this month. We always get very positive feedback over the holidays from folks who appreciate the wonderful college choir concerts we bring you from around the region. This December we'll have many of these holiday choir concerts along with some great Christmas music specials. Christmas day in particular is packed with holiday music featuring many wonderful choir concerts from around the region.

As in past years, our December pledge drive begins Thanksgiving weekend. It's important for you to know that your \$36 or \$66 contribution has much more impact than you might realize. Every dollar we raise locally help us raise additional federal and state matching dollars, so your contributions goes much farther than you think. Without sufficient local support, we could miss out on critically important matching government funding we rely on to pay our bills. Please consider making a generous contribution to help support the programs you enjoy this December. Thank you!

The past few months we've hosted many events and activities for our viewers in our Bemidji headquarters. We hosted many screenings of both local and national high profile programs and also hosted a sustainable facility tour in partnership with Otter Tail Power, BSU, the City of Bemidji, and the Minnesota Clean Energy Resource Team (CERTS). We had a great turn out of folks interested in learning more about all the energy saving initiatives we've done at Lakeland PBS including our geothermal heating and cooling system and our roof mounted 40kW solar PV array. If you live in the Bemidji region and haven't attended any of our various events, please know that we're planning to have more screenings and event coming up this winter. We hope that you'll consider attending in the future. While you're here, we're also happy to give you a tour of our facility including the TV studio and control rooms. The best way to stay up to date regarding future events at Lakeland PBS is by going to lptv.org and signing up for email updates.

I'm also very happy to report that earlier this fall, federal legislators passed an FY19 federal budget that included funding for public media. I know that many of you took the time to let your legislators know that public media and Lakeland PBS is important to you. It's important for you to know that this made a big difference and the strong outpouring of grass roots support helped greatly. Thank you so much for helping to secure this very important funding that funds the Corporation for Public Broadcasting (CPB). The CPB ultimate funds both public television and public radio stations nationwide. Without the annual community service grant we receive from the CPB, Lakeland PBS along with all the wonderful programming we provide that you rely on just wouldn't exist.

Merry Christmas, happy holidays, and as always, thanks so much for your support!

2 DECEMBER 2018 - HIGHLIGHTS

"Tate McLane"

Thursday, December 20 at 7:30pm; Saturday, December 22 at 8:30pm

Tate McLane has been singing and playing his own brand of soulful American roots in the bars, coffee shops, and street corners of the upper Midwest for as long as he's known how. He's lived more than his share of life and you can hear it in every song.

"Mel Hunt"

Thursday, December 27 at 7:30pm; Saturday, December 29 at 8:30pm

I was born and raised on the LL Reservation, from a large family in the Walker area. I attended and graduated HS from Walker in '63 and moved to the Metro areas. My music sense was instilled in me at 10 years of age by my mother when she purchased an old used Sears Roebuck flattop guitar. I had it tuned by ear by an older fellow from the village here in Onigum. I bothered everybody around here to teach me everything they knew. I dropped it for a few years to raise children and picked it back up in again in 1985 and started playing it more seriously. My music was influenced by early R&R'ers and Country artists.

Suze Orman's Financial Solutions for You

Saturday, December 1 at 10am

We all have financial issues and problems. This Suze Orman special sharply focuses on her helping individual viewers "find financial solutions for you." As always, Suze's advice is based not just on numbers, but on a critical understanding of ourselves and our emotional needs. The special's central theme is that our financial decision-making should be guided by an understanding of "the goal of money." As Suze perceptively defines it: "The goal of money is to make you feel secure." Our financial solutions should work to fulfill that goal. In addition, Suze stresses the importance of making financial decisions that you feel comfortable with. Financial problems are caused when you do things with money that do not seem "right" to you, despite pressures and advice from others.

Have you started your holiday shopping? I try to do mine throughout the year, my problem is when the holidays arrive I often forgot where everything is stashed throughout my house. There has to be a better way to find that one of a kind, unique gift for that special someone. I have a great idea and that is the gift of a Lakeland PBS membership. Annual membership at Lakeland PBS is only \$36 a year and entitles the member to receive our Highlights publication. A Lakeland PBS gift membership shows that others appreciate how much the recipient values high quality television, television that covers events from around the world as well as those right here in our own backyard. In addition to a gift membership, a year-end donation to Lakeland PBS is a great way to insure that the best television shows, shows from Curious George to Common Ground, will continue for years to come. If you would like to give a gift membership to someone this holiday season, or make a year-end gift to support Lakeland PBS, I invite you to give me a call. I truly enjoy the opportunity to chat with our members, to find out the programs they enjoy watching and to get to know a bit better other members of the Lakeland PBS family. Wishing you and your family a wonderful holiday and a great start to the New Year!

Nearly all of us have felt anxious, sad, exhausted, or hopeless at some point in life ... or we know someone who has. You are not alone. According to the National Institutes of Mental Health, 51% of the US population will have a mental illness at some point in their lives. Anxiety disorders are the most common, followed by depression, ADHD and addictions. It's more normal to have a problem than not to have one. Many people want to get help, but feel embarrassed or ashamed, because of the stigma attached to mental health issues, so they end up suffering in silence or overeat, use alcohol, or rush to take the latest medications to try to make themselves feel better fast, but it often doesn't last. Feel Better Fast and Make It Last will show viewers the strategies taught to patients at Amen Clinics, where they have one of the highest published success rates for people who suffer from anxiety, depression, addictions and grief. The program set contains many time pieces to highlight to viewers that many of the techniques Dr. Amen will share literally take just a few minutes or even less.

Five Smart Year End Ways To Support Lakeland PBS!

From *Almanac* to *Antiques Roadshow*, from *Lakeland News* to *Lidia's Kitchen*, from *Common Ground* to *Curious George*, your support this past year has made great programming possible. It is because of your generosity that we are able to continue in our mission to **EDUCATE, ENTERTAIN, ENRICH** and **ENLIGHTEN**. All of us at Lakeland Public Television are grateful for your support. Thank you!

As the year concludes, we hope you might consider a year end gift to support the high quality programming that is the hallmark of Lakeland PBS. There are many ways to support public television, not just at year end, but throughout the year as well. Here are five options that you might find of interest.

1. Transfer appreciated stock from your investment/brokerage account to Lakeland PBS.

This is a great way to avoid payment of capital gain taxes on the stock, especially if the stock has increased in value. By making a gift of stock to LPTV you will get a tax deduction equal to the value of the stock transferred, avoid capital gain tax, and support the great programming at LPTV! A real win, win for all! Call LPTV for more details.

2. Name Lakeland PBS as a beneficiary of a Certificate of Deposit (CD).

Many people are not aware that they can name a beneficiary on their certificates of deposit (CD) held at a bank. This designation called a payable on death designation does just that, at the owner's death, the funds in the CD are distributed to the designated beneficiary, such as Lakeland PBS. One of the benefits of using this approach is that the funds in the CD are available for you during your life should you need them. The distribution only occurs at death thus allowing you to keep control of the CD during your life. Establishing a payable on death designation is easy to do and can often be accomplished in a single trip to the bank. To complete the required paperwork you will likely need information about Lakeland PBS including our address, telephone number, and tax identification number. If you would like additional information email Kathleen at kmckinstra@lptv.org or call her at 218-333-3018.

3. Use your Required Minimum Distribution (RMD) from your IRA to make a direct gift to Lakeland PBS.

If you are age 70 ½ and have an IRA you can direct all or a portion of your RMD to LPTV. This is sometimes called the IRA Charitable Rollover. In doing this, you will avoid having to pay income tax on the IRA distribution because it goes directly from your IRA to an IRS designated charity or nonprofit, such as LPTV. Using this technique can provide big tax savings for the donor since the amount directed to the nonprofit is not included in the donor's taxable income in the year of distribution. Call LPTV for more details on this tax savvy strategy to support the high quality television you see daily on LPTV.

4. Name Lakeland PBS the beneficiary or partial beneficiary of a life insurance policy.

This is very easy to accomplish using a beneficiary designation. Once you get the benefit designation form, review it and make sure you understand how to complete it. The forms ask you to provide the name of the person or organization you want to receive life insurance proceeds and the percent of proceeds you would like to leave. Other information is often requested as well. If you would like additional information email Kathleen at kmckinstra@lptv.org or call her at 218-333-3018.

5. Consider leaving a gift to Lakeland PBS in your estate plan.

Many people welcome this idea as they can support LPTV without opening their wallet. An estate gift is a wonderful way to make your wishes known about the people and organizations that were important to you during your life. Additionally, there can be significant estate tax advantages to using a planned gift to a favorite nonprofit. Even if your estate is not subject to any state or federal estate tax at death, a planned gift provides a legacy that will serve to honor the organizations that provided meaning to you during your life. Many people are worried about outliving their resources. Since a planned gift does not take effect until your death your resources (assets) remain available to you to use during your lifetime. Planned giving is a great way to leave a lasting legacy and many people are surprised to learn just how easy it is to incorporate an estate gift into their plans. If you would like additional information email Kathleen at kmckinstra@lptv.org or call her at 218-333-3018.

If you would like to learn more about how you can support Lakeland PBS, consider having a conversation with LPTV's Development Specialist Kathleen McKinstra.

There is no cost or obligation to meet with Kathleen. She is a wonderful resource as she spent more than twenty years practicing law as an estate planning attorney. She is well versed in estate and charitable giving techniques and would welcome the opportunity to talk to you about your ideas for supporting Lakeland PBS. You can arrange to visit with Kathleen at our office in Bemidji or alternatively at our office in Brainerd. Or if you would prefer, she can visit you in your home. Kathleen can be reached at kmckinstra@lptv.org or 218-333-3018.
