Malaak Khattab Joins the Lakeland News Team

Malaak Khattab joined the Lakeland News team in February 2019 as a multimedia journalist. She was born in New York City, grew up in Texas and studied abroad in Dubai, the United Arab Emirates. Malaak made the move to Bemidji from Chandler, Arizona. Malaak began her career as an intern for Good Morning El Paso at KVIA-TV in 2017. During that time, she shadowed reporters, photographers and even helped produce the show. After her internship, she worked as a Content Writer for a startup digital media agency in Dubai.

Malaak is a 2017 graduate of American University of Sharjah where she majored in Mass Communication with a concentration in Journalism. She attended Franklin High School in El Paso, Texas where she was part of the Speech and Debate team. Malaak became interested in journalism when she was the subject of articles that centered around culture and ethnicity. It was then that she decided she rather be in control of a story than the subject of one.

In her spare time, Malaak loves to spend time with family and friends. She enjoys shopping, traveling, exploring new places to drink coffee and is a big adrenaline junkie. Malaak is a city girl at heart, but is thrilled to embark on this new chapter of her career and is excited to be joining the Lakeland community.

General Manager's Message

We just ended our March fund drive and I want to thank everyone who stepped up and made a contribution to Lakeland PBS. I also want to specifically thank those folks who are sustaining members. Your ongoing support helps us bring you the programs that you enjoy. In addition, as a sustaining member, more of your contribution goes to programming because we don't have to spend money on mailing out renewal mailings. For those of you who aren't sustaining members, please consider it. It's easy to do and really makes your contribution go farther and fund more great programming. Again, thank you!

Time to venture out of the house! Spring marks a few big gatherings in both the Bemidji and Brainerd Lakes areas. In Brainerd, the Everything Expo runs March 29 and 30 and is a fun filled event to attend. In Bemidji, the Jaycee Home, Sport and Travel Show runs April 5 through April 7 is also a "must see" springtime event. Lakeland PBS will be at both shows and is bringing along Clifford the Big Red Dog. Clifford will be at our booth at the Everything Expo in Brainerd on Saturday, March 30 from 10am to 1pm and again at the Jaycee Home, Sport and Travel Show in Bemidji on Saturday, April 6 from 10am to 1pm. Please stop by and say "Hi" to our staff and and bring the kids by to meet Clifford!

And speaking of events, we have a few events happening right here at our Lakeland PBS headquarters in Bemidji. On Friday, April 5th at 1 pm we will be hosting a screening of the new Les Miserables series. If you're a fan, you can stop by Lakeland PBS to watch the first episode in advance of its air date. We will also have coffee, treats, and some fun prizes and you'll have an opportunity to tour the station. Then on Friday, May 3rd we will be hosting a Behind the Scenes at Lakeland News event from 9:00 to 10:30pm. Before Lakeland News at 10 begins, the news crew will be available for a meet and greet. Then beginning at 10pm, you'll be able to see behind the scenes how Lakeland News is put together and watch the newscast air live seated right in our TV studio. If you're a fan of Lakeland News you won't want to miss this. Both events are free to the public on a first come, first served basis. Call or email Ron Johnson to RSVP for either event at either rjohnson@lptv.org or 218-333-3024. Don't wait too long as these events will likely fill up quickly!

I've had quite a few folks ask me what we have in store regarding upcoming concerts. Many folks really enjoy the different acts that we have featured in the past and are anxious to hear about what's coming up next. Honestly, right now we don't have anything that is set, but we are looking for new performers for our next concert. Typically, we've had the best success if we can find an act where we also have a program we can air that features the performers. This allows us to showcase and market the concert. We are indeed looking and when we find the right act that fits, we will let you know.

On Friday, April 12 and again on Friday, May 17, we will be airing a live call-in program at 8 pm called Lakeland On Call giving you the opportunity to ask Lakeland staff about anything on your mind regarding Lakeland PBS. We plan to discuss how you can receive all six of our channels for free over-the-air, talk about new upcoming programming, and answer programming questions you send us about Lakeland PBS. You will be able to email us questions both during and before the program, or call in your question during the broadcast. I plan to host the program and will have Jeff Hanks, our Programming and Production Manager, and Dennis Weimann, our News Director, joining me on the set. I hope that you'll tune in and call or send in your questions about the station. You can email your questions any time to oncall@lptv.org. We look forward to connecting with you.

As always, thank you for your generous support!

American Experience: Amelia Earhart

Tuesday, May 7 at 8pm

The first woman to fly solo across the Atlantic, Amelia Earhart was one of America’s earliest celebrities. After only a few years as a pilot she became the best-known female flier in America, not only for her daring and determination, but also for her striking looks and outspoken personality. Amelia even had an uncanny resemblance to Charles Lindbergh - the most famous man in America at the time - earning her the nickname “Lady Lindy.” Three weeks short of her 40th birthday, Earhart disappeared over the Pacific Ocean, and her story became legend.

Also airs Thursday, May 9 at 3am; Friday, May 10 at 1am; Saturday, May 11 at 2am & 3am

American Experience: Annie Oakley

Tuesday, May 14 at 8pm

In 1926, Will Rogers described her as "the greatest woman rifle shot the world has ever produced." As the star attraction of Buffalo Bill's Wild West Show, she thrilled audiences around the world with her shooting feats. Over time she became an American legend - the loud, brassy, cocksure shooter celebrated in the musical "Annie Get Your Gun." Although famous as a Western sharpshooter, Oakley lived her entire life east of the Mississippi. A champion in a man's sport, she forever changed ideas about the abilities of women, yet she opposed female suffrage. This film is the story of a five-foot-tall sharpshooter who pulled herself out of the depths of poverty to become known the world over as a symbol of the Wild West.

Also airs Thursday, May 16 at 4am; Friday, May 17 at 1am

Nova “Mystery of Easter Island”

Wednesday, April 10 at 8pm

A remote, bleak speck of rock in the middle of the Pacific, Easter Island, or Rapa Nui, has mystified the world ever since the first Europeans arrived in 1722. How and why did the ancient islanders build and move nearly 900 giant statues, or moai, weighing up to 86 tons? And how did they transform a presumed paradise into a treeless wasteland, bringing ruin upon their island and themselves? This program explores controversial recent claims that challenge decades of previous thinking about the islanders, who have been accused of everything from ecocide to cannibalism. Among the new theories is that the islanders used ropes to “walk” the statues upright, like moving a fridge. With the help of a 15-ton replica statue, a NOVA team sets out to test this high-risk, seemingly unlikely theory - serving up plenty of action and surprises in this fresh investigation of one of the ancient world’s most intriguing enigmas.

Also airs Friday, April 12 at 4am; Sunday, April 14 at 12am
