SUMMER OF SPACE

AMERICAN EXPERIENCE “Chasing the Moon” Anchors Programming Lineup Marking the 50th Anniversary of the Apollo 11 Moon Landing.

See Page 1
**A Year in Space**  
Wednesday, July 17 at 7pm; Tuesday, July 23 at 9pm  
Follow astronaut Scott Kelly’s record-breaking 12-month mission on the International Space Station, from launch to landing, as NASA charts the effects of long-duration spaceflight by comparing him to his identical twin on Earth, astronaut Mark Kelly.  
*Also airs Friday, July 19 at 1am; Sunday, July 21 at 1am; Monday, July 22 at 2am; Wednesday, July 24 at 1am; Thursday, July 25 at 4am*

**Beyond A Year in Space**  
Tuesday, July 30 at 9pm  
This program picks up where the first film left off: Scott Kelly’s last day in space and return to Earth. The final installment also introduces viewers to the next generation of astronauts training to leave Earth’s orbit and travel into deep space.  
*Also airs Wednesday, July 31 at 2am; Thursday, August 1 at 4am; Friday, August 2 at 2am*

**8 Days: To the Moon and Back**  
Wednesday, July 17 at 8pm  
Join Apollo 11 on its historic journey. The film seamlessly blends mission audio featuring conversations among Neil Armstrong, Buzz Aldrin and Michael Collins with new footage, NASA archive and stunning CGI to recreate the first moon landing.  
*Also airs Friday, July 19 at 2am; Sunday, July 21 at 2am*

**Nova: Apollo's Daring Mission**  
Tuesday, July 16 at 9pm  
Hear Apollo astronauts and engineers tell the inside story of how the first mission to the moon, Apollo 8, pioneered groundbreaking technologies that would pave the way to land a man on the moon and win the space race.  
*Also airs Wednesday, July 17 at 2am; Thursday, August 1 at 2am; Saturday, August 3 at 2am; Sunday, August 4 at 2am*

**The Farthest - Voyager in Space**  
Wednesdays, July 31 at 9pm  
Learn how NASA’s epic Voyager missions, launched in 1977, revolutionized our understanding of Jupiter, Saturn, Uranus, Neptune and their dazzling moons and rings. In 2012, Voyager 1 left our solar system and ushered humanity into the interstellar age.  
*Also airs Thursday, August 1 at 2am; Sunday, August 4 at 2am*

**American Experience: Chasing the Moon**  
Experience the thrilling era of the space race, from its earliest days to the 1969 moon landing in this 3-part special.  

**Chasing The Moon - Part One**  
Monday, July 8 at 8pm; Tuesday, July 16 at 7pm  
Explore the early days of the space race, the struggle to catch up with the Soviet Union and the enormous stakes in the quest to reach the moon. This episode reveals both the breathtaking failures and successes of the developing U.S. space program.  
*Also airs Tuesday, July 9 at 2am; Thursday, July 18 at 2am; Saturday, July 20 at 2am*

**Chasing The Moon - Part Two**  
Tuesday, July 9 at 8pm; Tuesday, July 23 at 7pm  
Discover what it took to beat the Soviet Union to the moon in the space race. In the turbulent and troubled '60s, the U.S. space program faced tragedy with Apollo 1, but made a triumphant comeback with Apollo 8.  
*Also airs Wednesday, July 10 at 2am; Saturday, July 13 at 2am; Thursday, July 25 at 2am*

**Chasing The Moon - Part Three**  
Wednesday, June 10 at 7pm; Tuesday, July 30 at 7pm  
Experience the triumph of the first moon landing, witnessed by the largest TV audience in history. But dreams of space dramatically intersect with dreams of democracy, raising questions of national priorities and national identity.  
*Also airs Thursday, July 11 at 2am; Sunday, July 14 at 1am*

**American Experience: Space Men**  
Tuesday, July 9 at 7pm  
Meet the pioneering Air Force scientists and pilots whose Project Manhigh, which collected data about the biological and technical factors required to support human activity in space, laid the groundwork for the US space program.  
*Also airs Wednesday, July 10 at 1am; Thursday, July 11 at 4am; Friday, July 12 at 2:30am; Sunday, July 14 at 3am; Monday, July 15 at 4am*

**Nova: Back to the Moon**  
Wednesday, July 10 at 7pm  
Fifty years after humans first set foot on the Moon, new scientific discoveries are fueling excitement for a return to the lunar surface - this time, perhaps, to stay. Join the scientists and engineers working to make life on the Moon a reality.  
*Also airs Thursday, June 11 at 1am; Friday, July 12 at 4am; Sunday, July 14 at 2am*

**Nova: Ancient Skies**  
Wednesday, July 24 - August 7 at 7pm  
Discover how centuries of knowledge, experimentation and engineering helped our ancestors understand the mysteries of space. Expert contributors decode astronomical myths and uncover the science behind their origins. Pictured: The Remains of William Herschel’s 40-foot telescope, Royal Observatory Greenwich
General Manager’s Message

We just wrapped up our June pledge drive and I want to thank all of our members for your support of the quality programming Lakeland PBS brings into your home. If it’s time for you to renew your annual support, please consider doing so right now. You can go to our web site at lptv.org to make a contribution in support of the programs you enjoy throughout the year.

If you haven’t been a supporter of Lakeland PBS, you can become one now and gain instant access to LPTV Passport. LPTV Passport is a streaming video on demand service that brings you unlimited viewing of thousands of titles including content like the entire Downtown Abbey series and many other Masterpiece greats, science and nature programs, “how to” programs and much more. You’ll have instant access to everything you love about PBS programming all streaming on demand and available 24x7. For more information go to lptv.org/passport. Members of $60 or more, or only $5 per month, will receive this added benefit. Consider becoming a member today. If you’re already a member, you may already be eligible for LPTV Passport. Again, members who contribute $60 or more annually get the added benefit of LPTV Passport. If you’re already a member and would like to see if you’re eligible for access to LPTV Passport, please send a request or contact us at 800-292-0922.

I’ve talked a bit in the past about live streaming all of our programming. While we don’t have the rights to live stream all of our national content, we are live streaming our local programs like Lakeland News. Recently we added Facebook Live as another way to watch Lakeland News. You can now watch the Lakeland News live at 10pm online by going to our web site at lptv.org or our YouTube Channel (Lakeland PBS), or by watching on our Facebook page (Lakeland News).

The Cruise with the News summer giveaway contest is up and running and we’re getting many qualifiers that are being entered in to the final drawing to win a Caribbean cruise for two. If you watch Lakeland News, send us a postcard or letter with your name, address, and phone number, and ask to be entered in to the drawing. Send it to Lakeland News - Cruise with the News - 108 Grant Ave NE - Bemidji, MN 56601. You can’t win if you don’t enter. Good luck!

Also this summer, Lakeland PBS will have a booth at the Beltrami County Fair in Bemidji. The Beltrami County Fair runs from August 8-12. We’d love to visit with you about all your favorite programs or answer any questions you might have about Lakeland PBS, so please step by and say “HI”.

Regardless of how you watch, we very much appreciate our viewers and members. As always, thank you for your generous support!

Bill Sanford - CEO
Lakeland PBS
