Small Town Robot
Thursday, October 10 at 7:30pm

Greenbush, Minnesota is about as far away from the “big city” as you can get. One look at the minuscule main street and you might think you’ve got the farming town figured out, but take another look. Hundreds of miles from the big funders and large corporations, this town of 719 people has consistently come together, fundraised, and fielded a high school robotics team that goes head-to-head and heart-to-heart with the world. But it’s not just about competing at the global championships. It may well be a good start to changing how the world works. You see, every team wants to win, but they are also judged on their ability to cooperate with each other’s teams. Compete and cooperate. We follow the GMR Gators team 5172 into the world arena and see what it takes to be a robotic David in a Goliath world. Directed by Joe Brandmeier.

OCTOBER/NOVEMBER 2019 - HIGHLIGHTS 1
General Manager’s Message

This fall has been a busy one for us here at Lakeland PBS. We’re excited to announce that we will be holding a public open house for our newly remodeled office and studio in Brainerd. The public open house will be on Wednesday, October 16 at 5 pm. Please stop by for a tour and refreshments during our open house. Many of our local board members will be there in addition to our local reporters and our News Director, Dennis Weinmann. We would all love to meet you and show you around our newly remodeled facility. The address in Brainerd is 422 NW 3rd Street. We’re located in the same building as Ace Hardware on Washington Avenue and are just across the street from Walgreens in the NW corner of the Ace Hardware building.

Cleaning up and remodeling our space in Brainerd has been a long time coming. When we moved in to our current space 21 years ago, it was in very rough shape. The previous renter had gutted it out and the space was chopped up into a series of small offices/exam rooms, so the space was not functional for us. At that time, we spent the absolute minimum necessary to make the space somewhat usable. Now, 21 years later, we took the space down to the studs and removed unnecessary partition walls, enlarged the studio space, made the restroom presentable, and made the space more usable and accessible. It’s not a large space, but now it will meet our needs and will allow us to better serve the region. Please stop by for a visit during our open house at 5pm on Wednesday, October 16th.

Part of our busy fall schedule relates to our local productions. Both Common Ground and Backroads are in full production with lots of activities and local field production happening. The week of September 16th we again set up at the Rail River Folks School in Bemidji and taped two episodes of Backroads each evening, Monday through Friday. We had live audiences each evening and recorded ten great new episodes that will begin airing later this fall. There’s a wide variety of artistic features featured this season with something that should appeal to pretty much everyone. I hope you enjoy the new seasons of both Backroads and Common Ground.

Lakeland PBS is only here because of our donors and volunteers. If you appreciate Lakeland PBS and want to help support the programs you enjoy, but don’t have the financial means to do so, you can support the station in other ways too. One way is by thanking your legislators for their support of Lakeland PBS. Let them know that free-over-the-air broadcasts of local programs like Lakeland News and all the great national PBS programs that you enjoy are important for our region. You can also thank our local on-air business supporters when you’re in their local businesses. One or two “thank yous” from people like you go a long way when we go back and talk to these businesses about renewing their financial support. Any of these kind gestures would help us greatly!

In closing, I would also ask you to consider a planned gift to Lakeland PBS if you have the means to do so. I certainly understand that you likely have other more important priorities for your estate when you pass. Your family, your church, and other charities. That said, a small gift from your estate to Lakeland PBS can make a lasting impact in your community. Your planned gift will help insure that future generations can continue to enjoy compelling, thought provoking, local, regional, and national programming from your local PBS station, Lakeland PBS. For more information regarding planned giving options, feel free to call Sue Kringen here at Lakeland PBS. You can reach Sue at 218-333-3018.

As always, thank you for your generous support.
