General Manager’s Message

I always love this time of the year. The holidays are a time for friends and family to gather and for us all to reflect on the past year and be grateful for what we’ve all been blessed with. I hope you and yours have a wonderful holiday season and a very merry Christmas.

On December 3rd from 11 a.m. to 3 p.m., Lakeland PBS will be holding a holiday open house in both our Brainerd and Bemidji offices. We’ll have holiday treats, hot apple cider and coffee, and we will be conducting tours of our facilities. Please stop in and visit with our staff and on-air talent and enjoy some holiday spirit. In Brainerd, our address is 422 NW 3rd Street, just east of Walgreens. If you didn’t have an opportunity to see our newly remodeled Brainerd office and studio when we held our open house back in October, now is your opportunity. In Bemidji, we’re located at 108 Grant Ave NE just south of the Sanford Center. We’ll have the coffee on and we’ll be expecting you!

Are you aware of our local public affairs program called *Currents*? If so, you’re also likely aware that we have been out of production for a while. We lost both of our hosts and have been searching for new hosts for some time now so we could get the program back in production and in the schedule. You’ll be happy to know that we recently secured new hosts in both Bemidji and Brainerd. In Bemidji, Carl Sewell is now hosting *Currents*. Carl has two shows under his belt and is doing a great job! In Brainerd, Jason Edens will be our new host. Jason will begin hosting *Currents* and discussing important topics relevant to the Brainerd lakes area from our Brainerd studio in December. We’re very excited to get *Currents* back into production. I’m sure many of you know Ray Gildow, our long-time host in the Brainerd Lakes area. Unfortunately Ray had to take some time off from hosting *Currents* due to health reasons, but he hopes to be back and hosting shows now and then along with Jason once he’s back on his feet. Please join us in wishing Ray a speedy recovery. You can watch past episodes of *Currents* here: <https://lptv.org/local-shows/lakeland-currents/>

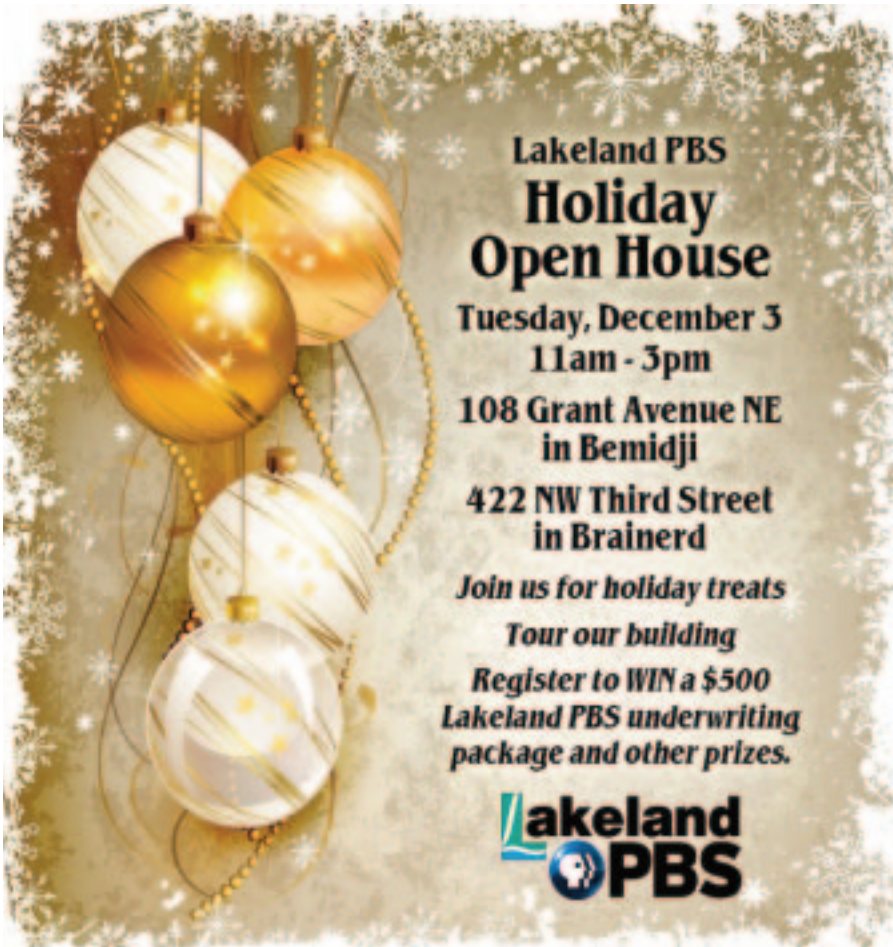

Fall and winter are prime TV viewing time up here in the northland. If you haven’t checked out the free PBS Video app yet, you should. It allows you to watch a huge selection of the best PBS’ programming when you want, wherever you want. It’s a free download on many smart TVs, Roku, Amazon Fire Stick, and Android and iOS tablets and phones. I invite you to check it out.

Our December pledge drive begins Thanksgiving weekend and we really need your help this fall. This year has been very challenging for us and we have fallen short of our pledge drive goals and ended our fiscal year September 30 with a small deficit. Having a local TV station that covers local events and produces local programming including local news is something very special in a rural area like ours. You may not realize just how important your \$36 or \$66 contribution is to keep this local television service going. Every dollar we raise locally help us raise additional foundation, federal, and state matching dollars, so your contributions go much farther than you realize and make the programs that you enjoy possible. In addition, without your contributions, we leave this important government funding on the table. Lakeland PBS’ annual expense for just the national programs you enjoy is over \$400,000 this year. This pays for programs like *Nova*, *Nature*, *Antiques Roadshow*, *Masterpiece*, *the NewsHour*, and all the great educational children’s programs we air. Please consider making a generous investment in programs that educate, entertain, enrich, and enlighten you and your family. Thank you for your consideration.

In closing, here at Lakeland PBS, we’re very aware that every December many of our viewers look forward to our holiday choir concert schedule. This year will be no exception with some excellent Minnesota based, regional, and national choir concerts airing Christmas eve and Christmas day. Check out the schedule in this edition of Highlights so you don’t miss any of these traditional holiday concerts.

Merry Christmas, happy holidays, and as always, thanks so much for your support!
