JANUARY/FEBRUARY 2021 - HIGHLIGHTS

General Manager’s Message
As I’m writing this, we’re less than two weeks away from Christmas. It’s heartbreak- ing to not be able to gather with family and friends in our usual ways this year. That said, by making sacrifices this year, we will help insure that all of our loved ones will be around next year when we can again get back to our holiday traditions.

It’s sure will be good to see 2020 in the rear view mirror! I’d like to thank everyone a happy, healthy, and prosperous 2021. Let’s hope that the new year will bring us renewed health, hope and prosperity now that we will begin to get a handle on the pandemic with the new COVID-19 vaccine just beginning distribution. All this said, we still will likely have a great deal of pain to endure as a nation and world before the vaccine is available to enough of us to actually get a handle on the community spread we’re now seeing. We can all help solve this public health crisis by following the simple rules laid out by the depart- ment of health. Wear a mask, wash your hands, stay 6’ apart, and don’t gather with groups outside your family.

The holidays are a time for reflection and to give thanks. I’d like to thank all those that supported Lakeland PBS in 2020. As you can imagine, both operating and fundraising in 2020 has been a challenge. One area that has been steady through it all is individual support from our members, so thank you. We couldn’t provide the programming that is focused on our region without your support. If you’re not a supporter of Lakeland PBS, but enjoy programs like the NewsHour, Nova, Nature, Lakeland News or Common Ground, please consider investing in your LOCAL public television station that you enjoy and rely on. To learn more and to contribute, go to lptv.org. Thank you for your consideration.

Here at Lakeland PBS we have an excellent and engaged group of volunteer board members. Our board of directors annual board meeting is normally held face-to-face in December so that we can gather our board members from across the region and have some time to not only meet, but to also get acquainted. Like everything else in 2020, our annual meeting was disrupted this year too. We met via Zoom with board and staff attending from home. One of the agenda items every year at our annual board meeting is a changing of the guard, with some board members retiring and new folks joining the board. In addition, we elect the officers for the next year as well. This year we sincerely want to thank Gary Block of Little Falls, Susan Holden of Blaine, and Paul Hunt of Pine River who will be leaving the board. These generous people have all been engaged and active board member and will be greatly missed! Due to term limits, they are now stepping down. While losing good people is the negative aspect of term limits, the good part of it is that it brings new blood into our organization. This year we have five excellent new people joining our board. Paul Peterson of St. Paul, Theresa Schermerhorn of Park Rapids, and Brett Severson of Brainerd, John Ward of Baxter, and Marilyn Yoder of Bemidji are all new board members for 2021. I’m also pleased to report that Ryan Welle of Bemidji will serve as our Board Chair in 2021. Joe Breiter of Brainerd will be our Vice-Chair, Jim Hanko of Bemidji will be our Treasurer, and Ann Marie Ward of Bemidji will be our Secretary. If you know any of these folks, please thank them for volunteering to serve on our board. They dedicate a great deal of time, attention, and effort into helping to guide Lakeland PBS and keep us focused on our mission of serving the region.

2021 will be the start of several key staffing changes here at Lakeland PBS with many baby boomers on staff retiring over the next several years. Because of this, you’ll see new faces inside the organization. I can tell you with confidence that the board is committed to seeing us through this time of transition and will do everything in their power to make sure that Lakeland PBS stays focused on serving the community.

As always, thanks so much for your support!
