2 JANUARY/FEBRUARY 2022 - HIGHLIGHTS

General Manager’s Message

As I’m writing this, 2021 is coming to a close and we’re looking forward to what 2022 will bring our way. The past year has been tumultuous and marked by uncertainty at times, but I believe there have been many things to be very thankful for and worthy of reflection. Across our region, families and organizations have been able to gather together once more. Community festivals and celebrations have returned to more normal schedules. Local businesses have persevered through challenging times and continue to help lead our communities forward. Let’s keep working together in the year ahead to build on these positive developments.

One of the constants over the past two years that has helped sustain our communities across north central Minnesota is Lakeland PBS. We’ve continued to provide quality programming services that educate, entertain, enrich, and enlighten. We’ve provided valuable local news and cultural programming that simply isn’t available elsewhere. But, as I’ve mentioned many times before, we couldn’t have done all this without your support. Once again this past year, our membership support has remained strong, with individual support ending up over what we had budgeted. Thank you! If you’re not a supporter of Lakeland PBS, but enjoy programs like the *PBS Newshour*, *Masterpiece*, *Nature*, *Lakeland News* or *Common Ground*, please consider investing in your LOCAL public television station that you enjoy and rely on. To learn more and to contribute, go to lptv.org. Thank you for your consideration.

Here at Lakeland PBS, we’re dedicated to bringing you truly local news and information that is of value here in our own communities. To that end, I encourage you to watch our public affairs series *Lakeland Currents*. Our host of *Currents*, Jason Edens, does a fantastic job of leading in-depth, and civil, conversations with local leaders, citizens, and experts about the issues and events that affect central and northern Minnesota. Go to lptv.org/local-shows/lakeland-currents/ to stream the newest and past episodes of *Lakeland Currents*.

Another highlight of our programming lineup is our locally produced art, culture, and history series like *Common Ground* and *Backroads*. Both of these series are returning with brand new episodes in the next two months, please be sure to tune in for them to see great examples of local culture and music! We’re now into our thirteenth year of these productions made possible by the Minnesota Arts and Cultural Heritage fund.

A big part of what makes Lakeland PBS successful is an excellent and engaged group of volunteer board members. At our December annual board meeting we recognized the board members retiring and new folks joining the board. In addition, we elect the officers for the next year as well. This year we sincerely want to thank Ryan Welle of Bemidji, Anne Marie Ward of Bemidji, and Kim Williams of Bemidji who will be leaving the board. These generous people have all been engaged and active board member and will be greatly missed! Due to term limits, they are now stepping down. While losing good people is the negative aspect of term limits, the good part of it is that it brings new blood into our organization. This year we have two excellent new people joining our board. Georgia Harris of Brainerd, and Travis Annette of Bemidji are our new board members for 2022. I’m also pleased to report that Joe Breiter of Brainerd will serve as our Board Chair in 2022, Steve Berry of Bemidji will be our Vice-Chair, Jim Hanko of Bemidji will be our Treasurer, and Laine Larson of Brainerd will be our Secretary. If you know any of these folks, please thank them for volunteering to serve on our board. They dedicate a great deal of time, attention, and effort into helping to guide Lakeland PBS and keep us focused on our mission of serving the region.

Thanks for your support!
