2 APRIL/MAY 2022 - HIGHLIGHTS

General Manager’s Message

Greetings Lakeland PBS members. It’s looking like spring has finally arrived here in north central Minnesota! After a long winter season, the warmer temperatures and sunshine are a blessing that we’re all enjoying.

We just ended our March fund drive and I want to thank everyone who made a contribution in support of the programs you enjoy on Lakeland PBS. I also want to specifically thank those folks who are sustaining members. Your ongoing support as a sustaining member of Lakeland PBS helps ensure delivery of the quality local service you’ve come to expect. For those of you who aren’t sustaining members, please consider it. It’s easy to do and really makes your contribution go farther because we don’t have to spend the time and money on renewing your membership. Again, thank you!

One trend that stations like ours are seeing is the steady stream of new member support coming in to us throughout the year, a different pattern than in years past when most new members came on board during our usual pledge periods. Much of this change is due to the fantastic benefits of Lakeland PBS Passport, which gives members access to an ever growing library of great on-line content that you can enjoy at any time, and on different devices that are most convenient for you. Members who contribute \$60 or more annually get the added benefit of Lakeland PBS Passport. If you’re already a member and would like to see if you’re eligible for access to Passport, please contact us at 800-292-0922. Through our local productions such as Lakeland News, Common Ground, and Currents, we are proud of our reputation as a vital resource for civic dialogue across our region. Each and every day, we strive to tell stories that are unique to our communities in north central Minnesota, providing a platform for a better engaged society.

Public media stations like ours across the country have stepped up to provide local service to rural areas that otherwise may largely go without coverage from commercial media outlets. This local service is something that is worthy of support, and we certainly couldn’t do it without the generous support of area foundations, businesses, and of course, members like you!

Thanks for your support!
