General Manager’s Message

Welcome to summer in northern Minnesota! We’re so blessed to live in such a beautiful area of the country and I hope you all have many opportunities to get outside and enjoy the coming months.

In case you missed our recent announcement, I’m very proud to let you know that Lakeland PBS was recently honored with two first-place Eric Sevareid Awards from the Midwest Broadcast Journalists Association. Both stories aired on our “Lakeland News” newscasts.

A story by Chaz Mootz titled “Northwest Angle Ice Road” earned first-place honors in the General Reporting category and another story by Mootz titled “Neck Injury Ends Career of Local Football Star” was awarded first place for Sports Reporting. The competition included TV stations from Minnesota, Wisconsin, North Dakota, South Dakota, Iowa and Nebraska. Lakeland PBS was noted as being the smallest station competing, prompting one of our board members to proudly comment that we are “punching well above our weight”.

While it’s certainly rewarding to tout our own horn in cases like this, I really want to point out that it is you, our members, that make this quality local journalism possible. Your generous contributions leverage state and federal grant dollars to help fund our Lakeland News production, a very expensive endeavor for a small rural station like ours. Thank you for putting your trust in Lakeland PBS and our mission to provide truly meaningful local content to north central Minnesota.

I also want to be sure you’re aware of our “Program Preference Poll 2022” that will be distributed to members this month. Our annual Program Preference Poll is provided as a benefit of membership to Lakeland PBS and provides you with the fantastic opportunity to give us feedback and suggestions for our programming and local production service. The information we gather from you is very important in our decision making process and helps ensure we meet the needs of communities across our region. Thanks in advance for taking the time to fill out this year’s poll!

Reaching our viewers “where they’re at”, or however they consume video content, continues to be a huge priority for us in this evolving media landscape. If you haven’t checked out the free PBS Video app yet, you should. It allows you to watch a huge selection of the best PBS programming when you want, wherever you want. You can also watch Lakeland Prime live 24×7 on the PBS Video app as well, or on our website at lptv.org/livestream. The PBS Video app is a free download on many smart TVs, Roku, Amazon Fire Stick, and Android and iOS tablets and phones. I encourage you to check it out. We’re doing our best to give you more ways to watch Lakeland PBS anytime, anywhere.

Finally, I’d like to remind you that our June pledge drive is an opportunity to see some great new programming and make a pledge of support if you haven’t already done so. Check out this edition of Highlights to see all the special programs we have in store for you. As always, thanks for your support!
