General Manager’s Message

Another busy year is coming to an end and I’d like to take this opportunity to wish you and your family members a very happy holidays. Our staff has had the pleasure of meeting and working with countless people across our coverage area here in north central Minnesota in the past year. Whether it was through our Lakeland News coverage in the field, production of series like Common Ground, or attending special community events, we’ve enjoyed working with citizens just like you to help tell the stories that are important to our region. Our continued focus on LOCAL people and issues that are important to them is what sets Lakeland PBS apart from the metro and national media organizations.

Thank you to everyone who contributed to Lakeland PBS this past year! Our hard working staff has continued to provide you with local programming and services such as Lakeland News, Common Ground, Backroads, and Debate Night 2022, but we couldn’t have done it all without your valued support. Once again, I’m very happy to report that we finished our fiscal year 2022 with stronger than projected membership revenues. I firmly believe that this is because our locally produced content makes an impact in our region on a daily basis, and that kind of service just can’t be replaced by the large nationally focused media organizations.

Media viewing options continue to grow through the numerous streaming and on-demand subscription services, so we continue to work very hard to make sure local content from Lakeland PBS is available wherever you’re at, and whenever you choose to view. If you haven’t checked out the free PBS Video app yet, you should. It allows you to watch a huge selection of the best PBS’ programming when you want, wherever you want. It’s a free download on many smart TVs, Roku, Amazon Fire Stick, and Android and iOS tablets and phones. Please take a moment to check it out!

Our December pledge drive begins Thanksgiving weekend and I encourage you to tune in to see some great new programming and consider making a pledge of support. Having a local TV station that covers local events and produces local programming including local news is something very special in a rural area like ours. You may not realize just how important your \$36 or \$66 contribution is to keep this local television service going. Every dollar we raise locally help us raise additional foundation, federal, and state matching dollars, so your contributions go much farther than you realize and make the programs that you enjoy possible.

Finally, I want to remind you of our special lineup of holiday programming on our main channel, L-Prime. Be sure to check out the schedule in this edition of Highlights so you don’t miss any of these traditional holiday concerts & specials that have proven to be very popular.

Happy Holidays, and as always, thanks for your continued support!

Jeff Hanks
CEO – Lakeland PBS
