This story includes personal testimonies of the MCs, DJs, graffiti artists, filmmakers, politicians and opinion formers who created and shaped its direction as it grew from an underground movement in the Bronx to the most popular music genre in the U.S. and the fastest growing genre in the world today. Featuring interviews with Ice-T (pictured) Killer Mike, Monie Love, Roxanne Shante, MC Lyte and more, the series paints a portrait of the unique relationship between Hip Hop and the political history of the U.S.

General Manager’s Message

As I write this 2022 is drawing to a close and we’re looking forward to a new year and all its possibilities. Our staff here at Lakeland PBS enjoyed seeing so many of you at various events through the past year. We were able to hold several program screening events and take part in many community events across the region, and it was wonderful to engage with our viewers and listen to their thoughts. Remember, YOU are the reason Lakeland PBS exists here in north central Minnesota. We’re here to serve you and we value all your contributions and feedback.

A big part of what makes Lakeland PBS successful is an excellent and engaged group of volunteer board members. At our December annual board meeting we recognized the board members retiring and new folks joining the board. In addition, we elect the officers for the next year as well. This year we sincerely want to thank Ray Gildow of Staples, Debra Zipf of Hillman, and Theresa Schermerhorn of Park Rapids, who will be leaving the board. These generous people have all been engaged and active board members and will be greatly missed! Due to term limits, they are now stepping down. While losing good people is the negative aspect of term limits, the good part of it is that it brings new blood into our organization. This year we have FIVE excellent new people joining our board! Brent Gish of Naytahwaush, Elisa Korentayer of Baxter, Jerry Loud of Bemidji, Richard Beeson of Nisswa, and William Hickey of Saint Paul are our new board members for 2023. I’m also pleased to report that Joe Breiter of Brainerd will again serve as our Board Chair in 2023, Steve Berry of Bemidji will be our Vice-Chair, Jim Hanko of Bemidji will be our Treasurer, and Laine Larson of Brainerd will be our Secretary. If you know any of these folks, please thank them for volunteering to serve on our board. They dedicate a great deal of time, attention, and effort into helping to guide Lakeland PBS and keep us focused on our mission of serving the region.

A special part of our annual meeting every year is when we get to honor an extraordinary volunteer with an award called the John Yourd Pillar Award. John Yourd was one of the founders of Lakeland PBS and worked tirelessly for over ten years to bring public television to northern Minnesota throughout the 70’s. His dream was realized when KAWB channel 9 went on the air in June of 1980 serving northern Minnesota. John was also instrumental in helping bring KAWB channel 22 to the Brainerd lakes area in 1988. John was not only generous with his time, but also with his treasure. John and his wife Dana donated their lake home to Lakeland PBS shortly before John passed away in 1999. John had terminal cancer at the time and John and Dana set up a charitable gift annuity so that Dana would be taken care of with a fixed quarterly payment for life from the proceeds of the funds they donated. John and Dana’s past contribution to Lakeland PBS is still helping Lakeland PBS to this day through our endowment fund. If you’re passionate about public television, you might want to consider investing in the future of Lakeland PBS with a gift in your estate plans as well.

This year, Nan Farrington was honored as our 2022 John Yourd Pillar Award recipient. Nan has served on our Community Advisory Council (CAC) for well over 20 years and has been a steadfast supporter of Lakeland PBS and our mission. She has attended countless meetings and events on behalf of Lakeland PBS over the years, and we have benefited from her insight and thoughtful advice. Members of the CAC are a bridge between the public and management of the station, and Nan’s service has been a perfect example of how this model works to benefit us all. If you know Nan, please congratulate her on receiving this special award and for her service to Lakeland PBS.

Here at Lakeland PBS, we’ve continued to provide quality programming services that educate, entertain, enrich, and enlighten. We’ve provided valuable local news and cultural programming that simply isn’t available elsewhere. But, as I’ve mentioned many times before, we couldn’t have done all this without your support. Once again this past year, our membership support has remained strong, with individual support ending up over what we had budgeted. Thank you! If you’re not a supporter of Lakeland PBS, but enjoy programs like the PBS Newshour, Masterpiece, Nature, Lakeland News or Common Ground, please consider investing in your LOCAL public television station that you enjoy and rely on. To learn more and to contribute, go to lptv.org.

Thanks for your support!

Backroads “Present Company” - New Season!

Thursday, February 2 at 7:30pm, Saturday, February 4 at 8:30pm

Present Company is a Minneapolis Indie band notable for their heavily dramatized performances, early 80's post-punk sounds, and modern indie flair. Present Company was started in 2018 by Christian Nelson and Eddie Chisham (songwriting, vocals, guitar, keys). They were later joined by Seth Lemmon (bass) and Berin Joseph (drums). Their new album “Present Company” is an album of love lost, the dissolution and exploration of identity, and the seemingly hopeless end of the world. The turmoil of change and personal growth is palpable throughout.
