General Manager’s Message

As we begin looking forward to spring, I hope you can take a moment to reflect on all the valuable programming Lakeland PBS provides that you’ve enjoyed throughout our long winter months. From PBS series like “All Creatures Great and Small”, to new episodes of our locally produced “Common Ground”, we’re providing quality content that truly educates, entertains, enriches, and enlightens.

This month we’ll be showcasing some great new programming as we begin our March pledge drive. Check out this edition of Highlights to see all the special programs we have in store for you. Every March we have a large number of our supporters whose annual support ends this month. If it’s time for you to renew your support of Lakeland PBS, please do your part in support of the programs that you enjoy and rely on. You can do so either online at lptv.org or by giving us a call at 800-292-0922. I would also ask you to consider becoming a sustaining member this year. It’s very easy to do. The best way to become a sustaining member is to provide us with your bank account information. Then monthly, we deduct whatever amount you authorize in support of Lakeland PBS. This method of supporting Lakeland PBS is best because we don’t have to send annual renewal notices through the mail, so it saves us time, printing, and postage costs. You probably aren’t aware, but for annual contributors, on average, it takes three separate renewal reminder mail pieces to get people to notice and actually respond. This takes away valuable resources that could be better invested in the programs you enjoy, so please consider becoming a sustaining member. When you do become a sustaining member, please know that you can change your pledge amount or stop your contribution at any time just by emailing or calling us. It’s secure, fast, easy, and helps maximize the impact of your contribution. Thank you for considering becoming a sustaining member!

We continue to engage civic minded viewers through our live coverage of the 2023 Minnesota legislative session on the “MN Channel”, along with the broadcast and streaming of series like “Almanac at the Capitol” and “Your Legislators”. It’s more important than ever for folks to be involved in the legislative process, and Lakeland PBS is a resource for this information that just isn’t available elsewhere! Here in north central Minnesota, Lakeland PBS is the only local television broadcaster that is providing local television programming including important local journalism throughout the region we serve. If local news reporting and journalism is something that you value and is important to you personally, please consider how you might help support this important work. For some people this may mean a gift of $25 or $50, and this would be much appreciated. I also know that there are people who will read this who are capable of much larger gifts. Just think about the impact that a large directed legacy gift would make on Lakeland News and how a gift like that might impact our ability to sustain and grow our journalism efforts in north central Minnesota for years to come. You can help insure the future of local journalism with your support of Lakeland PBS. Please consider a generous gift in support of all that we do to serve the region. Thank you!
